Viseh Sundberg, DDS

Doctor Viseh Sundberg is a different kind of dentist. Her gentle approach and excellent clinical skills will make you and your family more comfortable than you ever thought possible.

Dr. Sundberg and her team provide some of the latest advances in dentistry, including in-office tooth whitening, digital x-rays, laser detection of decay, and extensive use of tooth-colored fillings.

A graduate of the University of Texas Health Science Center Dental School, Dr. Sundberg has practiced dentistry for more than ten years and is active in some of the most advanced postdoctoral study programs available. This focus allows her to provide you with a comprehensive and advanced approach to your dental health that is uncommon in today's rushed world.

Please join us for a wonderful dental experience and discover dentistry that's something to smile about!

Dr. Sundberg is a proud member of the American Dental Association, The Oregon Dental Association and the Multnomah Dental Society.

Comprehensive Family & Cosmetic Dentistry

- Great with children and adults
- Professional dental cleanings
- State-of-the-art sterilization procedures
- Extensive experience in cosmetic dentistry
- Highest quality tooth-colored restorations
- One-hour, in-office tooth whitening

Your Comfort is Our Priority

- Enjoy music or a movie during treatment
- Warm waterlines calm sensitive teeth
- Special massaging chairs to help you relax
- Refreshments include coffee, bottled water or Persian tea

Digital Radiography

Our use of digital x-ray technology reduces radiation exposure up to 90% and eliminates the use of chemicals. It's better for you. It's better for the environment.

Metal-Free Restorations

The common silver filling is 50% mercury! Dr. Sundberg makes extensive use of bio-compatible, tooth-colored restorations to create healthy, beautiful smiles.

Care for the Whole Family

Children deserve a wonderful dental experience. We encourage all of our patients to bring their children in for a visit anytime after their third birthday. Your child will love it here!
